

Naturally Lewis

Small Business/ Cottage Industries

Over time, Lewis County has become a melting pot for small business. The region's successful industries, natural resources and entrepreneurial spirit allow for the growth and nurturing of great ideas. From craft brews and cabinet makers, to consumer goods and recreational services and amenities, small business is thriving. A variety of incentives are available to meet the needs of business, including loans and tax exemptions. Lower start-up costs and room for expansion set Lewis County apart from other areas in New York State.

Add in a desirable quality of life and 4-season recreation, you'll see that the answer is ... Naturally **Lewis**.

The creation of this collateral piece was assisted with a grant from National Grid, through the NYS Public Service Commission approved Economic Development Plan.

Larry Williams, CEO
Otis Technology

“ Otis Technology has been located in Lewis County for over 30 years and we couldn't think of a better place for our business to call home.”

Sue Maring, Owner
Tug Hill Vineyards

“ Early on, they [Lewis County Officials] came to us and offered assistance in writing some grants that would help us to expand the business.”
